# Foreword

We, the Class of 1957, in presenting this *Maroon*, are endeavoring to capture for posterity the countless wonderful experiences we have had in our Senior year, while on the threshold of the world. We have tried to enmesh in these pages the spirit of the school and classes, which will endure long after the material things disappear.

The essence of our existence in high school is preparing for the future. Thus, in keeping with the foremost thoughts of everyone, we have chosen as our theme, the *future*. We shall essay to delve into our crystal ball and see what we can ascertain about the future of all concerned. Our art work will be centered about a futuristic theme also.

If, when the future is a reality, you should chance to leaf through this book and recall even one happy memory, then our purpose will be fulfilled.

# Dedication

Your warm personality and wise bits of advice, especially to the girls, have made for you many friends among the students of K.H.S. You have enjoyed with us many of our happiest moments, our basketball games and our social events, be they the Senior Prom or the Commencement Dance. To you, Mrs. Louise Hayes, we the Class of '57 take pleasure in dedicating our *Maroon*.

# In Memoriam

ANDREW C. LEE

member of the Class of 1957

Andy lost his life in a tragic hunting acident on January 7, 1956. His fellow students will long remember his magnetic personality, infectious school spirit, athletic prowess, and sterling character. One could spend much time speculating as to what his future would have been, for with his many talents and traits we are sure he would have been successful in almost any field of endeavor. We of the Maroon Staff take great pride in paying this small tribute to a most beloved classmate.

LYNNWOOD RICHENS

member of the Class of 1957

On December 2, 1955, Lynnwood accompanied his mother on a business trip to Middletown because he felt she might need assistance in the snow and sleet storm which was just beginning. It was a trip from which neither returned. En route they skidded into the path of a tractor-trailer and both lost their lives. Following in his musician father's footsteps, Lynnwood was very much interested in instrumental music and took his place in the musical organizations at school. A quiet, thoughtful boy, he had established close friendships with those who were associated with him. His life had been centered around his home and family, his Church and the music which had become such a part of his life.

The Student Council seeks to promote participation in student government and in various extra-curricular activities through projects, such as: their presentation of the Christmas play and the sale of movie tickets at the beginning of the year. The members develop qualities of leadership which will be invaluable to them in their chosen vocations.

Throughout the past one and a half years many achievements stand to the credit of the Student Council, among which are:

1. Recognition of all honor students.
2. Recognition of all deserving seniors by special awards.
3. Listing of twenty-seven students recommended by Student Council in "Who's Who Among Student Leaders in High Schools of America."
5. Promotion of better sportsmanship with visiting teams,
6. Sponsorship of Webster-Hayne Debating Society.
7. Placing of signs in Field House.
8. Sponsorship of Citizenship Education Conference at Syracuse in April.

Prisma is an all-girl organization that was organized to give service to the school and the community, and to promote better understanding among nations.

Working in cooperation with the American Field Service, Prisma sends at least one junior to Europe each summer. Mimi Basch was the student who was selected last summer. While in Europe, she stayed in Germany. Prisma also brings a foreign student to Kingston High each year. This year our exchange student was Laura Baroncelli from Italy.

## ADVISER

Coach G. Warren Kias

Only boys who have obtained a varsity "K" by proving their athletic ability in interscholastic competition, or who have served as manager of one of these sports, are members of the Letter Club.

The Letter Club is primarily a service club. Members render this service by controlling the crowds at athletic contests, and by running a cloak room service at sporting events.

The members of Letter Club also select the Sport Queens to preside over the annual A.A. Party.

F.F.A. gives boys who are taking vocational agriculture an opportunity to prepare for their future by having them meet for educational, recreational, and social activities.

Members of the club visited Cobleskill Tech. School, where they took part in an agricultural contest. They also attended "Farm and Home Week" at Cornell.

Other activities of the show were: participation in the New York State Horticultural Show, where they did well in fruit judging, insect identification, and fruit-grading; and a father-and-son banquet which was held in the spring.

## ADVISER

Miss Ilse Selmer

This club provides a meeting place for all German-speaking students and others learning the language. German games are played, and slides are shown to acquaint the members further with the land and people they are studying.

Our exchange student to Germany, Mimi Basch, told the club about her experiences during the past summer.

The club also carried on a fund-raising project, the money to be used for a trip to New York to see a German movie.

Participating members are preparing themselves for more useful citizenship by having some knowledge and understanding of their fellowmen in other lands.

### ADVISER

Miss Madeleine Tarrant

This club provides a place for the outlet of the dramatic aspirations of the students, and gives them a chance to perform in assemblies to learn the art in acting.

Once a year a trip is taken to New York to witness a professional production.

The members receive some experience in dramatics which will help them considerably if they wish to continue work along these lines in the theatre or as amateurs.

Vice-President .......... Jerry Singer
Secretary-Treasurer . Lorraine Etienne

### ADVISERS

Miss Grace Gordon

Miss Lena Maggiore

The Debating Society teaches its members the art of debating through the promotion and practice of public discussion. It also aids them in developing their ability to reason out political or economic problems, and in discussing them intelligently.

In order to broaden the experience and skill of the members, they participate in debates in other schools; and have in turn also played host to the interscholastic Debating Tournament of Eastern New York, on December 8, 1956, in which the two levels of debators, the novices and J.V.'s, rated second place and received a trophy, and tied for third place respectively.

By taking part in debating, the members develop self-confidence, poise and leadership.

## ADVISER

Mrs. Malcolm Sergeant

Y-teens is made up of the Tri-Hi, who are junior and senior girls, and of the So-Y, who are freshmen and sophomore girls. Both spell fellowship and fun for many local young women and girls.

During the past year among the activities of the Tri-Hi was a discussion on the question of lowering the voting age to eighteen years, in which the members as well as guests took part.

The girls are prepared to take an active part in and to make noteworthy contributions to our community.

# Ski Club

## OFFICERS

| | |
|---|---|
| President | Bentley Jenson |
| Secretary-Treasurer | Pat O'Reilly |

## ADVISER

Mr. Stedman

The club provides an outlet for the energies of the students who desire healthful outdoor recreation. Beginners are taught the art of correct skiing.

For the enjoyment of the members, weekend excursions were made to High-Mount Ski Center, and a three-day trip to Lake Placid.

The sport enjoys considerable popularity, as the enrollment of 130 students indicates. Proximity to ski centers has made it possible for more members to enjoy the weekend excursions than would otherwise be possible.

Although most members do not plan to become professionals, they acquire some degree of proficiency so that they may more fully take part in outdoor activity in the future.

# Senior Play, 1957

In the dramatic world of K.H.S. the nights of November 15, 16, and 17 will long be remembered, as the Class of '57 presented our Senior Play, *Arsenic and Old Lace,* by Joseph Kesserling.

Music by the K.H.S. orchestra entertained the audience, as everyone awaited the rising of the curtain in our auditorium. Little did they know that they were about to see a memorable presentation in K.H.S. history, highlighted by an excellent cast under the able direction of Miss Tarrant, whose never-ending patience and experienced coaching contributed a great deal toward the success of the play.

Throughout, an air of mystery hung over the auditorium; and truly what could put one in a more spine-tingling mood than flickering candlelight, the face of a Boris Karloff on Charles Bell, twelve dead bodies, and, playing hostesses to all these evils, two sweet old ladies, Abbie and Martha Brewster, so ably portrayed by Mary Whitford and Lois Mitchell, as they hobbled around the stage in their fetching costumes. Their nephew, Mortimer Brewster, a very business-like lad, portrayed by Ed Zwick, was the envy of everyone, as he wooed Nancy Eckhart, playing the vivacious Elaine Harper, daughter of the solemn curate, a part brought to life by Silver Pollet.

The play was sparked by Dick DiDonna's perfect imitation of Teddy Roosevelt, whom he truly resembled in looks, teeth, and booming voice; and by Louis Levy with his well-mastered German accent, as he portrayed Dr. Einstein. David Brown vividly represented Mr. Gibbs; and the police force was taken care of by Bob Fisher, Tom Rowland, Ken Osterhoudt, and Benny Beck.

A sigh was heard from the audience, followed by a thunder of applause, as James Flynn, playing Mr. Witherspoon, the last victim of the notorious Brewster sisters, raised the glass to his lips to drink the deadly elderberry wine.

# Assembly Programs

### A TRIBUTE TO CHARLES DICKENS

Since we have all read from the immortal works of Charles Dickens, the audience of K.H.S. students were greatly entertained when some of his famous characters were brought to life on our own stage by Frank Armitage as he presented our year's second special assembly entitled "Dickens and His Queer Folks." The dimmed lights provided a theatrical atmosphere as our versatile performer portrayed such characters as Uriah Heep, for example. And as the lights brightened once again, everyone agreed that it had been one of our best assembly entertainments.

### RHYTHM MASTERS

In the years to come, when we look back to our senior year at Kingston High School, we shall always recall the fabulous assembly of December 18, when the "Rhythm Masters" favored us with their repertoire. They sang many old favorites, several Negro spirituals, and a few popular songs, all a cappella. In addition to the entertainment we derived from their musical talents, we enjoyed immensely the humorous antics in which they indulged during some of the songs. It was truly one of the most enjoyable assemblies to enhance the Kingston High School musical year.

### HONOR SOCIETY INDUCTIONS

Though some of us may someday be presented with the highest honor our country can bestow upon one person, a never-to-be-forgotten experience in the life of every member of the Manning Chapter of National Honor Society is the moment his name is called and he walks nervously to the stage of the darkened auditorium. He summons all composure to accept the honor conferred upon him by the society in appreciation and recognition of his outstanding qualities. In accordance with the December 7 inductions, John Snyder, Ed LeWare, Carolyn Engert and Vivian Van Vorst spoke on the four qualifications for membership: scholarship, leadership, character and service. Many deserving Seniors were inducted and the program was terminated by an inspiring talk delivered by the Rev. J. Dean Dykstra.

### LET'S CHEER!

A stirring march by the K.H.S. band echoed through the auditorium as the students took their seats for our first pep assembly. "T-E-A-M! White Fight!" These were only a few cheers which could be heard over to the vocational building as the cheerleaders, led by Lynda Marz, and the student body practiced for the games to come. The majorettes, who so deftly performed with their batons, were a delight to everyone as they strutted around the stage. Maybe it was the complete success of this assembly or the enthusiasm of the cheerleaders and the majorettes, which so greatly fostered our school spirit, so that record crowds attended our games to cheer our team to victory.

# Assembly Programs

## "I SPEAK FOR DEMOCRACY"

On November 27, the annual "I Speak For Democracy" contest was held in the Kingston High School Auditorium. Kaari Ilves and Charles Chaisson were the two Kingston High School contestants whose inspiring speeches impressed both students and faculty, for they made us more aware of democarcy as a way of life, not only for us, but for the future of the entire world. After much deliberation the judges were happy and proud to announce Kaari as the winner.

Our heartiest congratulations, Kaari, on a job well done!

## SPORT STARS

It was a joyous moment in the lives of our students, faculty, and the football team, as Mr. Miller presented to Pete Blanschan, our football team captain, the beautiful gold D.U.S.O. League Championship trophy. The applause thundered through the halls of K.H.S.; and it was well-earned, for the boys had fought as a team, a superb team, to merit the trophy as well as the letters which had been presented to them by John Woods, the master of ceremonies. Next the track team, of whom the whole school should be proud, came up one by one to receive their "K's" for a hard season. This assembly signified the end of our outdoor fall sports, but everyone left with a warm feeling in his heart because it had been an exceptional season and will remain tops in our memories during the future.

## FRENCH HONOR SOCIETY TAPS

On April 4, the French Honor Society inducted a list of new members in an assembly program presented to the upper classes. As the last strains of the "Marseulause" died away, Christine Reitlinger gave the welcoming speech to the parents, teachers and students who were either participating in or viewing this impressive ceremony. Particularly was it a great honor to both Dick DiDonna and Patrick Debeaumonde to have Dick present the latter with the emblem of the Society, the fleur-de-lis, which he had described in his speech. After these rewarding moments in the lives of the new members, as well as the old,'a reception was held for them, their parents and teachers in the Living Center of the Vocational Building.

## AWAY WE GO!

The K.H.S. students were held captivated as this daring couple, on roller skates, whirled around the stage. This was the first assembly of our school year, sponsored by our Student Council. Fascinated, everyone watched as they waltzed to the music, executed exciting and breath-taking tricks, or demonstrated some of the basic steps of roller skating. The program was highlighted when some of our students made their stage debut and were whirled around by one of the skating artists and then staggered off the stage because their heads were still going around from their fast whirl. This was a good start for an eventful year.

# Social Events

### HARVEST MOON

A genuine "Harvest Moon" air was created at the Kate Walton Field House last October 20, when the social season at Kingston High was gayly initiated. The "right kind of music" was provided by Myron Rossi's Orchestra and "that right atmosphere" ascended from the many enchanting decorations, symbolic of Halloween splendor. This Tri-Hi sponsored, girl-bid dance was acclaimed a success by the overwhelming attendance. To us this dance will always be one of our fondest memories of Kingston High for the magic of the "Harvest Moon" seemed to hold everyone under its spell.

### HEAVEN

At no time in the future shall we have such a heavenly time as on November 22 when the Class of '57 presented our Senior Prom. It was a perfect ending to a thrilling Turkey Day game at Newburgh, from where our football team returned as D.U.S.O. victors. The starry-eyed couples entered the Kate Walton Field House by the "Stairway to the Stars" to whirl in and out among the constellations to Pete Ferraro's magical music. Clouds and angels festooned the walls as well as the bandstand, which stood in the middle of a celestial atmosphere. And, as the hour of 11:30 approached and the lights were dimmed, everyone agreed that it had been the best ever.

### SWEETHEART SWIRL

The "Sweetheart Swirl," sponsored jointly by Key Club and Prisma on February 16, was one of the most successful dances held during this school year. With Ed Zwick and Lynda Marz as chairmen from their respective organizations, events were carried as smoothly as planned. The co-operation of the many different committees made this dance the big success it was. The theme of the event was musical valentines, with an international air. Decorations were arranged so that each country was charactrized by a popular love song peculiar to that country. Music by Joe Vigna's orchestra provided us all with many happy memories.

### A. A. PARTY

March 29 was a date much looked-forward to, because at that time the annual A. A. Party was held in the M.J.M. Gym. Singers, dancers, guitar players, and, among other things, an interesting "calypso" group entertained the enthusiastic crowd. The anticipated climax of the evening was, however, the crowning of the Sports Queens. Pat Lanigan, queen of football; Mary Coffey, queen of baseball; Karen Byrne, queen of minor sports; Janet Van Kleeck, queen of track; Lynda Marz, queen of basketball, were those chosen; and the queen of all sports was Janet Van Kleeck. After the termination of this entertaining program, everyone enjoyed dancing until midnight to Bob Steuding's Orchestra.

### TEA, ANYONE?

The Living Center of the Vocational Building was crowded with eager, college-bound senior and junior girls, who had come to hear a talk by President James H. Case of Bard College, at a tea sponsored by the Kingston College Women's Club. While all partook of the most delicious refreshments, served buffet style, members of the club circulated around among the students, helping to answer the girls' many questions concerning campus life. The very informative talk by our guest impressed the girls with a new and different conception of college and its importance to each individual and made them look forward even more eagerly to their four years as college students.

### PRISMA FASHION SHOW

The members of Prisma, realizing that women will always be interested in clothes, presented this annual fashion show in October. The girls modeled the latest fashions, ranging from Bermuda shorts to an exquisite evening gown. Everyone agreed the display, under the general direction of Miss Anne Donovan, was a great success and most enlightening. The purpose of the presentation was to give the girls an idea of the many stunning fashions that could be obtained by the redemption of the fashion certificates earned in the magazine campaign. At the conclusion of the fashion show, each girl dreamed of some day owning a wardrobe just like this.

### STRIKE UP THE BAND!

It may be that in the future we shall see some of our K.H.S. students playing in the U.S. Marine Band, which entertained an audience of about two thousand at the Kate Walton Field House. The stirring marches for which "the President's own" is famous, sent chills down the spines of the audience. Their novelty playing, co-ordination, and solos added to the attraction; and almost everyone swooned as a deep bass voice sang "Old Man River." When the program ended, it was truly to the dismay of everyone; but "that feeling" which it left with them lingers on.

### "NIGHT BEFORE CHRISTMAS"

On December 20 and 21, Student Council sponsored the unforgettable Christmas assembly, the highlight of which was a dramatization in pantomine of the ever-popular "Night before Christmas." This presentation was one of the most colorful and exciting Assemblies of our Senior Year. "Silver" Pollet and Linda Rider portrayed the traditional mother and father, while "Ole Saint Nick" and his reindeer were played by our undefeated K.H.S. football team. The usual Christmas Carol singing, led by a choral group, was enjoyed by all. We hope that in the future this particular type of assembly will become a tradition in K.H.S. to help spread the yule spirit.

# Varsity Football

Kingston High opened its season at Hawkins Stadium in Albany where they outclassed the Christian Brothers Academy by a count of 32-18. Opening their home schedule under the lights, the Maroon and White were faced with the task of playing Port Jervis, pre-season favorites for the DUSO title. Larry Johnson's second period tally was the only score as Kingston won 6-0.

The following week the Maroons played host to N.Y.M.A., but the K.H.S. ground game was too powerful for the invaders from Cornwall. Kingston won 20-13. The Poughkeepsie Pioneers were the next team to challenge the perfect Maroon and White record, but it was Kingston all the way, 39-6.

Anyone in the stands October 19th would have had no difficulty in citing THE outstanding game of the year. Facing a Mount Pleasant juggernaut which hadn't lost in three years, Coach Burke's boys definitely had their work cut out for them. But once again they were equal to the task, winning 14-7 on the strength of Hobie Armstrong's two T.D.'s.

Following two easy wins, 32-0 over Middletown and 41-0 over Beacon, the Maroons traveled to Newburgh where they proceeded to wrap up the DUSO crown and an undefeated season by trouncing the Goldbacks 34-13.

Kingston High School was honored by having five stars, Marv Engle, "Moose" Shaub, Pete Blanschan, Hobie Armstrong, and George Stephano, named to the All-DUSO Team. Blanschan also received the award as the League's outstanding player.

Although they are losing some top-flight players at graduation, the Maroons are looking forward to another rousing season next year.

# Varsity Basketball

Not long after the end of the football season, basketball took over the sports spotlight at K.H.S. After losing to Arlington High in the opener, Kingston tangled with Poughkeepsie in one of the most exciting games ever seen at the Kate Walton Field House. The "Bridge City" five won it in overtime 67-66. Following a victory over the Fallsburgh Comets, the Maroons were beaten by Ellenville and Port Jervis.

Returning to action after the winter vacation, K.H.S. was trounced by the Newburgh Goldbacks, 72-45. The Maroon Cagers chalked up two in the win column at the expense of Arlington and Monticello, but then were beaten by both Middletown and Poughkeepsie.

Kingston broke their two game losing streak by beating Fallsburgh and Ellenville, but Port Jervis once again stopped the Maroons 86-58.

K.H.S. took sweet revenge on Newburgh in one of the greatest upsets in recent years. It was a closely fought battle all the way, and when the score was tallied up, the Maroons were on top 61-59.

Kingston High went over the .500 mark for the only time this season by whipping Liberty, Monticello, and Liberty again. In the final action of the year, the Maroon and White were vanquished by Middletown 68-62.

# Baseball

The call for baseball candidates met with eager response from the KHS diamond enthusiasts. Although many outstanding players from last year's team have graduated, there is a solid nucleus of returning veterans to bolster the Kingston High line-up in 1957.

Southpaw Rennie Giannuzzi should be one of the leading pitchers in the DUSO League. This strong-armed hurler has the speed, stuff, and control to enable him to go a long way in baseball. Helping out Rennie on the mound will be Bob Beadle, up from the Jayvees, and newcomers Bob Short and Joe Beaver. Frank Sammons, a junior, will hold down the catching job for the second year in a row.

Captain Bill Cragan will be the third baseman, as he was last year. Don Kreuger and Joe Schrowang, from last year's team, and a host of newcomers and J.V. graduates make up the balance of the infield.

One of the stars of last year's squad, Bill Chase, will once again be in the Kingston outfield. Ed Riggio, a returning veteran , and a few prospects from the Junior Varsity will be gunning for the other outfield spots.

As Coach Gruner puts his team through pre-season drills, KHS sports fans are looking forwad to an outstanding season.

# Cross Country

With Coach G. Warren Kias again at the helm, the Maroon Harriers finished the '56 season with a better than average record.

K.H.S. opened this year's activities with a resounding 17-40 victory at Middletown. In their first home contest, the Maroons were defeated 34-21 by the Newburgh Goldbacks. After walloping Liberty 17-42, Kingston took it on the chin 33-24 on the tough course at Monticello.

Following an easy win in the triangle meet with Saugerties and Onteora, the Maroon and White traveled to Bear Mountain, where they finished a close second to Newburgh in the DUSO Meet. Returning to Bear Mountain the next week for the Section Nine Meet, Kingston once again finished second behind N.F.A. In the final event of the year, the State Meet, Dave Beehler, K.H.S. Captain, was the first of the runners representing Section Nine to cross the finish line.

Although Kingston will suffer the loss of Marcel Flamm, Jack Reinhardt, and Beehler through graduation, we will still be represented next year by one of the strongest teams in the DUSO League.

# Track

Once again track proves to be one of the most popular sports at KHS in terms of participation. Captain Dave Schreiner, Mark Dean, and John Brice are the leading candidates for the sprint events. In the grueling 440, Tom Hayes and Marcel Flamn have shown great promise. Dave Beehler, cross-country captain, is out for the 880. Hurdlers Dick Frodsham and Ron Bailer are both veterans and should do well. The mile, perennially interesting, is being run by Ray Peterson and John Weekly.

Coach Kias is expecting good performances from his team in the field events. Larry Johnson is a veteran at both the broad jump and high jump. Jack Reinhardt is also an outstanding high jumper. Strongmen Dave Bjaelker and Marv Engle are competing in both the shot put and the discus throw.

About seventy-five boys came out for the first practice. Most of these boys will get an opportunity at one time or another to participate in actual competition. This is one of the main reasons why track is so popular at KHS.

ADVISER

Miss Mary Leach

As in other years, the varsity cheerleaders have added pep and enthusiasm to our football and basketball games. These nine energetic girls have helped greatly to promote good sportsmanship and school spirit among the students and spectators at our games. This year, in addition to their usual activities they also planned a pep rally for the Newburgh game and pep assemblies, in addition to participation in the A.A. Party.

In the future you will probably find these girls cheering for college teams and spurring on activities as they have done at K.H.S.

ADVISER

Miss Vivian Burke

The J.V. Cheerleaders, like the varsity, have been an asset to our football and basketball games. Always full of spirit, these girls have cheered their J.V. teams on to a marvelous record. These seven vivacious girls have participated in pep assemblies and A.A. Party, and have done a good job leading the spectators in cheers. In the immediate future the J.V.'s hope they will move to the varsity squad.

# Girls' Volleyball

The 1957 volleyball season got off to a good start with the formation of twelve teams of volleyball enthusiasts. Of these, one senior, three junior, four sophomore, and four freshman teams were organized.

Diane Post's senior team concluded the season with top honors, having suffered no losses. Janice Hendricksen's junior team placed a close second with only one loss to the victorious seniors.

# Girls' Softball

Softball always plays an important part in the girls' athletic program at Kingston High School. This year there was, as usual, much enthusiasm and interest when the spring softball season began. Approximately twelve intramural teams were formed, which played after school on the macadam court behind the Kate Walton Field House. Games were arranged in an elimination schedule; but as the *Maroon* material went to press, the winning team had not yet been decided.

# Girls' Bowling

President .......................................... Lynda Marz
Secretary .......................................... Carol Wood
Treasurer .......................................... Rosemary Berardi

Bowling is rapidly developing into a major activity in K.H.S. This year the Girls' Bowling Club has been sponsored by the Y.W.C.A. and has become a member of the National Junior Bowling Congress. Eight teams were formed with a captain for each team. Throughout the year, records of the teams and individual averages were kept as the teams competed against each other. At the end of the year a banquet was held at Judie's Restaurant where the winners received awards.

The girls appreciated the experience and instructions they received; and they feel that belonging to this club has benefited them greatly, for bowling is a sport that they will enjoy for many years to come.

## ADVISER

Miss Leach

Leaders Club is an organization set aside for girls who are interested in sports and gym work. In this club the girls are given the opportunity to improve and show their athletic ability and to develop their leadership qualities. These girls are a great help to the gym teachers in conducting the physical education classes.

Leaders Club raised money for a scholarship fund by selling basketball pencils. During the winter a basketball team was formed which competed against several schools. Also the girls diligently practiced a marching drill which they presented at May Day. After try-outs were over, the club held their annual picnic.

The girls who have been members of Leaders Club will find in the future that the leadership qualities which they developed in this Club will greatly aid them.

# Girls' Basketball

The 1957 girls' basketball season got off to a booming start, with twenty teams organized, consisting of nine freshman, six sophomore, three junior, and two senior teams.

Because of the large turnout, the games were played by a process of elimination, leaving the two senior teams on top. Lynda Marz's team, the "Redlegs," defeated the other senior team, putting the two senior teams in first and second places respectively. Third place was won by Ruth Hagenah's freshman team, which showed great promise in basketball for future years.

Although the rivalry was very keen, all participants displayed very good sportsmanship.
